- Didn't we meet yesterday at the dentist's? You were waiting for the teeth implantation!!
 - That's right, I saw you, too! Oh, you've got great teeth now!

All people have something in common, but each person has a specific trait that makes them unique and special. For somebody, this trait is beautiful artificial teeth... □

- Oh, I get it! The water formula is H2!
 - I really don't think so! Isn't it O2??
 Science is the best way to satisfy your personal curiosity at the expense of the state.

- McDon and McDuck are exactly the same thing!
 - NO KIDDING!!!
 M – Para pa pa paaaa, I'm lovin' it. :)

- Hey! ILU!
 - Hey, ditto!
 Lovey-dovey xoxoxoxoxo
 They found each other... □

- Where did I put my glasses? Can't find them...
 Looked everywhere...
 - Oh, they are on my head!))
 Genius lies in simplicity.
